Explanation of Responses:

- The notes will mature on May 15, 2011. The notes may be converted at any time prior to the close of business on the business day prior to the stated maturity date based on an initial conversion rate of 68.5589 shares of our common stock per \$1,000 principal amount of notes (which represents an initial conversion price of approximately \$14.59 per share). The conversion rate is subject to adjustment in certain circumstances, including upon the occurrence of certain corporate transactions that constitute a change of control and upon certain distributions to holders of our common stock. The conversion price will not be adjusted for accrued or unpaid interest.
- The notes may be converted at any time prior to the close of business on the business day prior to the stated maturity date.
- Represents the maturity date of the notes.
