INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Amkor Technology, Inc. of proxies to be voted at the Annual Meeting of Stockholders to be held on Wednesday, July 30, 2003, at 11:00 a.m., and at any adjournment that may take place.

The Annual Meeting will be held at The Wyndham Suites Valley Forge, located at 888 Chesterbrook Boulevard, Wayne, Pennsylvania 19087, telephone number (610) 647-6700. Our principal executive offices are located at 1345 Enterprise Drive, West Chester, Pennsylvania 19380. Our telephone number is (610) 431-9600.

We mailed these proxy materials on or about July 2, 2003 to stockholders of record who held our common stock on June 20, 2003.

The following is important information in a question-and-answer format regarding the Annual Meeting and this Proxy Statement.

Q: WHAT MAY I VOTE ON?

A: (1) The election of eight nominees to serve on our Board of Directors;  
AND

(2) The ratification of the appointment of PricewaterhouseCoopers LLP as our independent accountants for 2003.

Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

A: The Board recommends a vote FOR each of the nominees and FOR the appointment of PricewaterhouseCoopers LLP as independent accountants for 2003.

Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on June 20, 2003 (the "Record Date") are entitled to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. As of the Record Date, 166,211,909 shares of the Company's common stock were issued and outstanding and held by 399 holders of record (including shares held in "street name").

Q: HOW DO I VOTE?

A: You may vote in person at the Annual Meeting or by signing and dating each proxy card you receive and returning it in the prepaid envelope.

Q: HOW CAN I CHANGE MY VOTE OR REVOKE MY PROXY?

A: You have the right to revoke your proxy and change your vote at any time before the meeting by notifying the Company's Secretary, Kevin Heron, c/o Amkor Technology, Inc. 1345 Enterprise Drive, West Chester, PA 19380, by returning a later-dated proxy card, by voting in person at the meeting or by mailing a written notice of revocation to the attention of the Company's Secretary.

Q: WHAT DOES IT MEAN IF I GET MORE THAN ONE PROXY CARD?

A: It means you hold shares registered in more than one account. Sign and return all proxies to ensure that all your shares are voted.

1

Q: WHO WILL COUNT THE VOTE?

A: Representatives of the Company's counsel, Wilson, Sonsini, Goodrich & Rosati, will count the votes and act as the inspector of elections. The Company believes that the procedures to be used by the inspector of elections to count the votes are consistent with Delaware law concerning voting of shares and determination of a quorum.

Q: WHAT IS A "QUORUM"?

A: A "quorum" is a majority of the outstanding shares. They may be present

at the meeting or represented by proxy. There must be a quorum for the meeting to be held and action to be validly taken. If you submit a properly executed proxy card, even if you abstain from voting, then you will be considered part of the quorum. Abstentions are not counted in the tally of votes FOR or AGAINST a proposal. A withheld vote is the same as an abstention. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be counted as present or represented for purposes of determining whether stockholder approval of that matter has been obtained but will be counted for purposes of establishing a quorum.

Q: WHO CAN ATTEND THE ANNUAL MEETING?

A: All stockholders as of the Record Date can attend. If your shares are held in the name of a broker or other nominee, please bring proof of share ownership with you to the Annual Meeting. A copy of your brokerage account statement or an omnibus proxy (which you can get from your broker) will serve as proof of share ownership.

Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: Although we do not know of any business to be considered at the 2003 Annual Meeting other than the proposals described in this proxy statement, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to James J. Kim, Amkor's Chief Executive Officer, and Kenneth T. Joyce, Amkor's Chief Financial Officer, to vote your shares on such matters at their discretion.

Q: HOW AND WHEN MAY I SUBMIT PROPOSALS FOR THE 2004 ANNUAL MEETING?

A: To have your proposal included in the Company's proxy statement for the 2004 Annual Meeting, you must submit your proposal in writing on or about March 2, 2004 to the Company's Secretary, c/o Amkor Technology, Inc., 1345 Enterprise Drive, West Chester, Pennsylvania 19380.

If you submit a proposal for the 2004 Annual Meeting after the above-referenced deadline, the proxy for the 2004 Annual Meeting may confer upon management discretionary authority to vote on your proposal.

You should also be aware of certain other requirements you must meet to have your proposal brought before the 2004 Annual Meeting, and these requirements are explained in Rule 14a-8 of the Securities Exchange Act of 1934.

Q: WHO IS SOLICITING PROXIES?

A: This solicitation of proxies is made by the Company's Board of Directors, and all related costs will be borne by the Company.

The Company has retained the services of Georgeson Shareholder to aid in the distribution of annual meeting materials to brokers, bank nominees and other institutional owners. The Company estimates it will pay Georgeson Shareholder a fee of approximately \$3,500 for such services.

Proxies may also be solicited by certain of the Company's officers and regular employees, without additional compensation, in person or by telephone or facsimile.

#### PROPOSALS YOU MAY VOTE ON

##### PROPOSAL ONE

##### ELECTION OF DIRECTORS

There are eight (8) candidates nominated for election to the Board of Directors ("Board of Directors" or "Board") this year. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the election of the eight nominees named below, each of whom is presently a director. Each nominee has consented to be named a nominee in this proxy statement and to continue to serve as a director if elected. Should any nominee become unable or decline to serve as a director or should additional persons be

nominated at the meeting, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many nominees as possible (or, if new nominees have been designated by the Board, in such manner as to elect such nominees) and the specific nominees to be voted for will be determined by the proxy holders. All directors are elected annually and serve a one-year term until our next annual meeting, or until their successor is duly elected. We expect that each nominee will be able to serve as a director.

#### REQUIRED VOTE

Directors are elected by a plurality of votes cast. Votes withheld and broker non-votes are not counted toward the total votes cast in favor of a nominee.

Director Option Plan (the "Director Plan") in January 1998. A total of 300,000 shares of common stock have been reserved for issuance under the Director Plan. The option grants under the Director Plan are automatic and non-discretionary. #### BOARD MEETINGS & COMMITTEES

Our Company's Board of Directors meets three or four times a year in regularly scheduled meetings, but will meet more often if necessary. The Board of Directors held three meetings and acted by unanimous written consent on four occasions during 2002 and all of the directors attended all of the Board of Directors meetings and Committee meetings of which they were members.

The full Board of Directors considers all major decisions of our company. However, the Board of Directors has established a compensation committee, an audit committee and a nominating committee.

The Audit Committee met ten times apart from regular meetings with the entire Board. ##### Nominating Committee

The Nominating Committee is comprised of Messrs. Churchill and Neff. The Nominating Committee reviews prospective candidates for the Board of Directors, and makes recommendations to the entire Board of Directors with regard to such candidates.

#### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee, (the "Committee"), of the Company's Board of Directors currently consists of Mr. Winston Churchill (Chairman), and Mr. Thomas George. Both members were designated by the Board on November 10, 1998. No member of the Committee during 2002 was an employee of the Company or any of its subsidiaries. Each member meets the definition of "non-employee director" under Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and is an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, (the "Code").

The Committee has overall responsibility for the Company's executive compensation policies and practices. The Committee's functions include:

- Determining the compensation of the Chief Executive Officer of the Company.
- Reviewing and approving all other executive officers' compensation, including salary and payments under the executive bonus plan, in each case based in part upon the recommendation of the Chief Executive Officer of the Company.
- Granting awards to executive officers under the Company's stock option incentive plans.
- Reviewing and making recommendations to the Board of Directors regarding compensation goals and guidelines for the Company's employees and criteria by which bonuses to the Company's employees are determined.
- Administering the Company's 1998 Stock Plan and its Employee Stock Purchase Plan.

#### Compensation Philosophy

The Company's compensation philosophy is to attract and retain top talent within the packaging industry through a multifaceted compensation approach. This includes aligning base pay with companies with whom the Company competes with for top talent. These companies are within both the semiconductor and printed circuit board manufacturing sectors. The Company's approach to total cash compensation is that it should vary with the performance of the Company in obtaining the financial and operational objectives of the Company. The Company has an incentive program for all employees which is proportional to Company profitability. In addition, the Company has an executive bonus program that is based on annual operational performance.

#### 6

#### Salaries

It is the Committee's objective to establish base salaries at levels that are comparable to those paid to executives with comparable qualifications, experience and responsibilities at other companies in the electronics industry, including semiconductor and printed circuit board companies. The Committee believes that it is necessary to attract and retain the leaders in the packaging industry, as the Company competes with these companies for executive talent. At the end of the fiscal year, each executive officer is reviewed by Mr. Kim. The review of executive officers made in fiscal 2002 for performance related to their specific function within the organization and results achieved by them relative to key performance factors. The Committee reviewed independently these recommendations and approved, with any modifications that it deemed appropriate, the annual salary, including salary increases, for the executive officers. Industry, peer group and national survey results were also considered in making salary determinations to maintain parity of the Company's pay practices within the electronics and wafer fabrication industries.

#### Compensation for the Chief Executive Officer

In fiscal 2002, James J. Kim served as the Chairman of the Board and Chief

Executive Officer of the Company. The Committee's criteria for determining Mr. Kim's compensation were driven by several factors: the competitive marketplace, the Company's position in the rapidly evolving technology sector in which it operates, the Company's operating and financial performance in 2002, Mr. Kim's relative ownership interest in the Company and, most importantly, his leadership and establishment and implementation of strategic direction for the Company.

The Committee believes that Mr. Kim's performance throughout the fiscal year ended December 31, 2002 was outstanding and that he continues to demonstrate highly effective leadership.

#### Annual Incentive Compensation

Each executive officer's performance, as well as their total cash compensation on a peer-market level was evaluated by the Committee to determine the appropriate cash bonus award. Additionally, industry standards regarding cash bonuses as a percentage of total base pay were reviewed to ensure alignment within the industry.

#### Executive Incentive Bonus Plan

An executive incentive plan was established by the Compensation Committee in 1999. This Executive Incentive Bonus Plan (the "EIBP"), is a cash based incentive bonus program. The purpose of this plan is to align executive officers' as well as key employees' performance with Company objectives and operating income and revenue growth. The EIBP establishes performance targets for each of these three measures, and determines, by individual, the targeted bonus level for performance. In 2002, no bonuses were paid.

#### Employee Profit Sharing Plan

Most employees of the Company are eligible to participate in a cash bonus program which is proportional to corporate profitability. Annually, a percentage of the Company's profit before taxes is allocated to the profit sharing pool. This allocation is distributed as a percentage of employees' base pay, to eligible participants within the Company. In 2002, no bonuses were paid.

#### Long-Term Incentive Compensation

Long-term incentive compensation currently consists solely of stock options. The Committee is responsible for the administration of the Company's stock option program. Option grants are made under the Stock Option Plan, as amended, at the fair market price on the date of grant and expire up to ten years after the date of the grant. The Committee believes that stock options are a competitive necessity in the electronics industry.

7

As a general rule, the Committee believes that a certain portion of the compensation package for all Executive Officers should be based on long-term incentives.

Winston J. Churchill, Chair

Thomas D. George

#### REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to review the Company's financial reporting process on behalf of the Board of Directors. The Committee is comprised solely of independent directors, as defined in the NASDAQ listing standards, and it operates under a written charter adopted by the Board of Directors, a copy of which is attached to this proxy statement as Appendix A.

As set out in the charter, the Committee's overall responsibility is one of oversight. Management is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, accounting and financial reporting principles, internal control and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The independent accountants are responsible for auditing the Company's consolidated financial statements and expressing an opinion in accordance with generally accepted auditing standards. The Committee meets with the independent accountants, with and without management present, to discuss the results of their audit, the evaluation of the Company's internal controls and the overall

quality of the Company's financial reporting.

In performing its oversight function, the Committee considered and discussed the Company's audited consolidated financial statements with management and the independent accountants. The Committee discussed significant accounting policies applied by the Company in its consolidated financial statements, as well as alternative treatments. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Committee discussed with the independent accountants the matters required for discussion by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Committee discussed with the independent accountants their independence from the Company and its management and obtained the written disclosures from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Committee considered whether the provision of other non-audit services by the independent accountants to the Company is compatible with maintaining the independent accountants' independence. The Committee concluded that the independent accountants are independent from the Company and its management.

Based on all of the foregoing, the Committee recommended to the Board of Directors, and the Board approved, that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002. The Committee selected and the Board of Directors ratified, subject to shareholder approval, the selection of the Company's independent accountants for the audit of the consolidated financial statements for the year ending December 31, 2003.

#### COMPENSATION COMMITTEE INTERLOCKS

The Compensation Committee currently consists of Messrs. Churchill and George. No member of the Compensation Committee was an officer or employee of Amkor or any of Amkor's subsidiaries during fiscal 2002. None of Amkor's Compensation Committee members or executive officers has served on the Board of Directors or on the compensation committee of any other entity one of whose executive officers served on our Board of Directors or on our Compensation Committee.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have had a long-standing relationship with Anam Semiconductor, Inc. ("ASI"). ASI was founded in 1956 by Mr. H. S. Kim, the father of Mr. James Kim, our Chairman and Chief Executive Officer. Through our supply agreements with ASI, we historically had a first right to substantially all of the packaging and test services capacity of ASI and the exclusive right to all of the wafer output of ASI's wafer fabrication facility. With our acquisition of K1, K2 and K3 in May 2000, we no longer received packaging and test services from ASI. Under the wafer fabrication services supply agreement which was consummated in January 1998 and terminated as of February 28, 2003, we had the exclusive right but not the requirement to purchase all of the wafer output of ASI's wafer fabrication facility on pricing terms negotiated annually. As part of our strategy to sell our investment in ASI and to divest our wafer fabrication services business, we entered into a series of transactions beginning in the second half of 2002:

- In September 2002, we sold 20 million shares of ASI common stock to Dongbu Group for \$58.1 million in net cash proceeds and 42 billion Korean Won (approximately \$35.4 million at a spot exchange rate as of December 31, 2002) of interest bearing notes from Dongbu Corporation payable in two equal principal payments in September 2003 and February 2004. The Dongbu Group comprises Dongbu Corporation, Dongbu Fire Insurance Co., Ltd. and Dongbu Life Insurance Co., Ltd., all of which are Korean corporations and are collectively referred herein as "Dongbu." Additionally, we divested one million shares of ASI common stock in connection with the payment of certain advisory fees related to this

transaction.

- As of February 28, 2003, we sold our wafer fabrication services business to ASI for total consideration of \$62 million.
- In separate transactions designed to facilitate a future merger between ASI and Dongbu, (i) we acquired a 10% interest in Acqutek from ASI for \$1.9 million; (ii) we acquired the Precision Machine Division (PMD) of Anam Instruments, a related party to Amkor, for \$8 million; and (iii) Anam Instruments, which had been partially owned by ASI, utilized the proceeds from the sale of PMD to us to buy back all of the Anam Instruments shares owned by ASI. Acqutek supplies materials to the semiconductor industry and is publicly traded in Korea. An entity controlled by the family of James Kim, our Chairman and Chief Executive Officer, held a 25% ownership interest in Acqutek at the time of our acquisition of our interest in Acqutek. We have historically purchased and continue to purchase leadframes from Acqutek. PMD supplies sophisticated die mold systems and tooling to the semiconductor industry and historically over 90% of its sales were to Amkor. At the time of our acquisition of PMD, Anam Instruments was owned 20% by ASI and 20% by a family member of James Kim.

Each of the transactions with Dongbu, ASI and Anam Instruments are interrelated and it is possible that if each of the transactions were viewed on a stand-alone basis without regard to the other transactions, we could have had different conclusions as to fair value.

As of February 28, 2003, we sold our wafer fabrication services business to ASI. In addition, pursuant to the definitive agreements with Dongbu, (1) Amkor and Dongbu agreed to use reasonable best efforts to cause Dongbu Electronics and ASI to be merged together as soon as practicable, (2) Amkor and Dongbu agreed to cause ASI to use the proceeds ASI received from its sale of stock to Dongbu to purchase shares in Dongbu Electronics and (3) Amkor and Dongbu agreed to use their best efforts to provide releases and indemnifications to the chairman, directors and officers of ASI, either past or incumbent, from any and all liabilities arising out of the performance of their duties at ASI between January 1, 1995 and December 31, 2001. The

9

last provision would provide a release and indemnification for James Kim, our CEO and Chairman, and members of his family. We are not aware of any claims or other liabilities which these individuals would be released from or for which they would receive indemnification.

At January 1, 2002 Amkor owned 47.7 million shares or 42% of ASI's voting stock. During 2002, we divested 21 million shares of ASI stock and at December 31, 2002 Amkor owned 26.7 million shares of ASI or 21%. The carrying value of our remaining investment in ASI at December 31, 2002 was \$77.5 million, or \$2.90 per share. On March 24, 2003, we sold an additional 7 million shares of ASI common stock to an investment bank for 24.4 billion Korean won (\$19.5 million based on the spot exchange rate as of the transaction date) which approximates the carrying value of those shares. As part of that sale, we purchased a nondeliverable call option for \$6.7 million that expires December 2003 and is indexed to ASI's share price with a strike price of \$1.97 per share. The net proceeds from the exercise of the option could be less than the current carrying value and could expire unexercised losing our entire investment in the option. As of March 24, 2003, we owned 19.7 million shares of ASI, or 16% of ASI's voting stock. Beginning March 24, 2003, we ceased accounting for our investment in ASI under the equity method of accounting and commenced accounting for our investment as a marketable security that is available for sale.

Historically, we have had other relationships with ASI affiliated companies for financial services, construction services, materials and equipment. Each of these transactions was conducted on an arms-length basis in the ordinary course of business. In addition, ASI's former construction subsidiary is currently in reorganization and its affairs are managed by a number of creditor banks; all transactions between Amkor and this entity are subject to review and approval by these banks. Total purchases from ASI and its affiliates included in cost of revenue for the years ended December 31, 2002, 2001 and 2000 were \$212.6 million, \$161.6 million and \$499.8 million. Additionally, financial services performed by ASI and its affiliates included in interest expense for the year ended December 31, 2000 was \$1.6 million. Construction services and equipment purchases received from ASI and its affiliates capitalized during the years

ended December 31, 2002, 2001 and 2000 were \$2.8 million, \$14.7 million and \$38.8 million, respectively.

Total purchases from Acqutek included in cost of revenue for 2002, 2001 and 2000 were \$16.0 million, \$14.0 million and \$29.2 million, respectively. We believe these transactions with Acqutek were conducted on an arms-length basis in the ordinary course of business.

We entered into indemnification agreements with our officers and directors. These agreements contain provisions which may require us, among other things, to indemnify the officers and directors against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from willful misconduct of a culpable nature). We also agreed to advance them any expenses for proceedings against them that we agreed to indemnify them from.

As of December 31, 2002, Mr. James Kim and members of his immediate family beneficially owned approximately 44% of our outstanding common stock.

Amkor Electronics, Inc. (AEI), which was merged into our Company just prior to the initial public offering of our Company in May 1998, elected to be taxed as an S Corporation under the provisions of the Internal Revenue Code of 1986 and comparable state tax provisions. As a result, AEI did not recognize U.S. federal corporate income taxes. Instead, the stockholders of AEI were taxed on their proportionate share of AEI's taxable income. Accordingly, no provision for U.S. federal income taxes was recorded for AEI. Just prior to the initial public offering, AEI terminated its S Corporation status at which point the profits of AEI became subject to federal and state income taxes at the corporate level. We consummated a tax indemnification agreement between us, our predecessor and James Kim and his family (collectively, the "Kim Family"). James Kim, is our founder and significant stockholder, and currently serves as our Chairman and CEO. Under the terms of the tax indemnification agreement, Amkor indemnifies the former owners of AEI for the settlement of AEI's S Corporation federal and state tax returns and any adjustments to the reported taxable income. At the time AEI was converted to a C Corporation, AEI and the Kim Family identified certain federal and state tax overpayments associated with the results of AEI during S Corporation status years and AEI, in May 1998, paid such amounts to the Kim Family. These amounts, which principally related to the finalization of AEI's federal tax return, are reflected as a receivable from stockholder in the stockholders'

10

equity section of our balance sheets. As the refunds are paid by the associated taxing authorities and received by the Kim Family, the Kim Family, in turn, remits the funds to Amkor. During 2002, \$0.4 million of tax refunds were received by the Kim Family and used to pay down the stockholder loan. The loan balance will be further reduced as AEI's tax returns are finalized and refunds remitted by the associated taxing authorities.

We lease office space in West Chester, Pennsylvania from certain of our stockholders. The lease expires in 2006. We have the option to extend the lease for an additional 10 years through 2016. Amounts paid for this lease in 2002 were \$1.2 million.

We have historically maintained split-value life insurance policies on the joint lives of James J. Kim and Agnes C. Kim for the benefit of the Trust of James J. Kim dated September 30, 1992 (the "1992 Trust"). No premium payments were made by Amkor in 2002. In the event of the death of James J. Kim or Agnes C. Kim we will receive in death benefits an amount equal to the lesser of the total net premiums paid in cash by us or the net cash surrender value of the policy as of the date of such death.

In January 1998, we loaned \$120,000 to Mr. Boruch, our President and Chief Operating Officer, of which \$99,000 was outstanding as of December 31, 2002 and repaid in 2003. This loan was interest bearing at a rate of 7% per year.

#### COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the Securities and Exchange Commission (the "SEC") and the National Association of Securities Dealers, Inc. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish

Amkor with copies of all forms that they file pursuant to Section 16(a). Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons that no other reports were required for such persons, Amkor believes that all Section 16(a) filing requirements applicable to our officers, directors and ten-percent stockholders were complied with in a timely fashion.

- (1) All options shown granted in fiscal 2002 become exercisable as to 25% of the share subject to the option exercisable starting one year after the date of grant and an additional 1/48 of such shares subject to the option becoming exercisable each month thereafter.
  - (2) Potential realizable value is based on the assumption that: (1) our common stock will appreciate at the compound annual rate shown from the date of grant until the expiration of the option term and (2) that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. We assume stock appreciation of 5% and 10% pursuant to rules promulgated by the Securities and Exchange Commission, and these percentages do not reflect our estimate of future stock price growth.
  - (3) Each of the Named Executive Officers surrendered these options pursuant to a voluntary stock option replacement program initiated on November 8, 2002. This program allowed employees and members of our Board of Directors to surrender their existing options and to receive new option grants six months and one day after the tendered options were cancelled. We will issue new option grants equal to the same number of shares surrendered by the employees and members of our Board of Directors. The exercise price will equal the fair market value of common stock as of the new grant date which is expected to be no earlier than June 12, 2003.
  - (4) Mr. Larson ceased to be an executive officer of the Company in March 2003.

(a) The number and percentage of shares beneficially owned is determined in

accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended. The information is not necessarily indicative of beneficial ownership for any other purpose. Under this rule, beneficial ownership includes any share over which the individual or entity has voting power or investment power. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock subject to options held by that person that will be exercisable on or before July 30, 2003 are deemed outstanding. Unless otherwise indicated, each person or entity has sole voting and investment power with respect to shares shown as beneficially owned.

- (b) Represents 29,727,093 shares held by James J. and Agnes C. Kim; 139,516 shares issuable upon the conversion of convertible debt held by Mrs. Kim that is convertible on or before July 30, 2003; 14,457,344 shares held by the David D. Kim Trust of December 31, 1987; 14,457,344 shares held by the John T. Kim Trust of December 31, 1987; 6,257,344 shares held by the Susan Y. Kim Trust of December 31, 1987; and 8,200,000 shares held by the Trust of Susan Y. Kim dated April 16, 1998 established for the benefit of Susan Y. Kim's minor children, with Susan Y. Kim as the Trustee. James J. and Agnes C. Kim are husband and wife and, accordingly, each may be deemed to beneficially own shares of our common stock held in the name of the other. David D. Kim, John T. Kim and Susan Y. Kim are children of James J. and Agnes C. Kim. Each of the David D. Kim Trust of

15

December 31, 1987, John T. Kim Trust of December 31, 1987 and Susan Y. Kim Trust of December 31, 1987 has in common Susan Y. Kim and John F.A. Earley as co-trustees, in addition to a third trustee (John T. Kim in the case of the Susan Y. Kim Trust and the John T. Kim Trust, and David D. Kim in the case of the David D. Kim Trust) (the trustees of each trust may be deemed to be the beneficial owners of the shares held by such trust). All of the above-referenced trusts, together with their respective trustees and James J. and Agnes C. Kim may be considered a "group" under Section 13(d) of the Exchange Act on the basis that the trust agreement for each of these trusts encourages the trustees of the trusts to vote the shares of our common stock held by them, in their discretion, in concert with James Kim's extended family. This group may be deemed to have beneficial ownership of 73,238,641 shares or approximately 44.3% of the outstanding shares of our common stock. Each of the foregoing persons stated that the filing of their beneficial ownership reporting statements shall not be construed as an admission that such person is, for the purposes of Section 13(d) or 13(g) of the Exchange Act, the beneficial owner of the shares of our common stock reported as beneficially owned by the other such persons.

- (c) J. & W. Seligman & Co. Incorporated ("JWS") reported in a Schedule 13G/A filed with the Commission on February 11, 2003 that it beneficially owned these shares as of December 31, 2002. JWS also reported that William C. Morris, as the owner of a majority of the outstanding voting securities of JWS, may be deemed to beneficially own the shares beneficially owned by JWS. JWS is the investment adviser for Seligman Communications and Information Fund, Inc. (the "Fund"). Of the 9,515,860 shares that JWS beneficially owns, the Fund beneficially owns 9,060,000 shares.
- (d) Includes 20,000 shares issuable upon the exercise of stock options that are exercisable by Mr. Churchill on or before July 30, 2003.

- (i) Includes 107,000 shares issuable upon the exercise of stock options that are exercisable by Mr. Larson on or before July 30, 2003. Mr. Larson ceased to be an executive officer of the Company in March 2003.
- (j) Includes 23,000 shares issuable upon the exercise of stock options that are

exercisable by Mr. Joyce on or before July 30, 2003.

- (k) Includes 153,854 shares issuable upon the exercise of stock options that are exercisable by Mr. Freyman on or before July 30, 2003.
- (l) Includes 547,246 shares issuable upon the exercise of stock options that are exercisable on or before July 30, 2003.
- (m) On November 8, 2002, we initiated a voluntary stock option replacement program which allowed employees and members of our Board of Directors to surrender their existing options and to receive new option grants six months and one day after the tendered options are cancelled. We will issue new option grants equal to the same number of shares surrendered by the employees and members of our Board of Directors. The exercise price will equal the fair market value of common stock as of the new grant date which is expected to be no earlier than June 12, 2003. The vesting terms of the new options will be similar to the tendered options except the new options contain an additional one year vesting period prior

16

to any options becoming exercisable. On December 11, 2002, the following Named Executive Officers and Directors surrendered the following number of stock options pursuant to the program:

	SHARES SURRENDERED -----
