EXPLANATORY NOTE

On February 25, 2008, Amkor Technology, Inc., a Delaware corporation (the “Registrant”), filed a registration statement on Form S-8 (File No. 333-149376) (the “Prior Registration Statement”) with the Securities and Exchange Commission (the “Commission”) to register 17,000,000 shares of the Registrant’s common stock, \$0.001 par value (the “Common Stock”), to be issued under the Registrant’s 2007 Equity Incentive Plan (as amended and restated as the Second Amended and Restated 2007 Equity Incentive Plan, and as further as amended, the “Prior Plan”).

On March 25, 2021, the Registrant’s board of directors approved the 2021 Equity Incentive Plan (the “2021 Plan”). The 2021 Plan was approved by the Registrant’s stockholders on May 18, 2021 (the “Effective Date”) and replaced and superseded the Prior Plan.

Any Shares of Common Stock that remained issuable under the Prior Plan and that were not subject to outstanding awards as of the Effective Date (such shares, the “Prior Plan Shares”) will not be issued pursuant to the Prior Plan but instead will be available for awards under the 2021 Plan. As of the date of this Post-Effective Amendment No. 1, there was an aggregate of 2,247,624 Prior Plan Shares.

In accordance with Item 512(a)(1)(iii) of Regulation S-K and the Commission’s Compliance and Disclosure Interpretation 126.43, this Post-Effective Amendment No. 1 to the Prior Registration Statement (this “Amendment”) is hereby filed to cover the issuance of the Prior Plan Shares pursuant to the 2021 Plan. No additional securities are being registered by this Amendment.

PART I. INFORMATION REQUIRED IN THE SECTION 10(A) PROSPECTUS

Information required in Part I of Form S-8 to be contained in a prospectus meeting the requirements of Section 10(a) of the Securities Act of 1933, as amended (the “Securities Act”) is not required to be filed with the Commission and is omitted from this Registration Statement in accordance with the explanatory note to Part I of Form S-8 and Rule 428 under the Securities Act.

PART II. INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Registrant incorporates by reference into this Registration Statement the following documents:

- (a) The Registrant’s Annual Report on [Form 10-K](#) for the fiscal year ended December 31, 2020, filed with the Commission on February 19, 2021;
- (b) The Registrant’s Quarterly Report on [Form 10-Q](#) for the quarter ended March 31, 2021, filed with the Commission on April 30, 2021;
- (c) The Registrant’s Current Report on Form 8-K, filed with the Commission on [February 5, 2021](#); and
- (d) The description of the Registrant’s common stock set forth in the Registrant’s registration statement on [Form 8-A](#) filed on October 22, 1997, including any future amendment or report filed for the purpose of updating such description, including the Description of the Registrant’s Securities Registered Pursuant to Section 12 of the Securities Exchange Act of 1934, filed as [Exhibit 4.3](#) to the Registrant’s annual report on Form 10-K for the fiscal year ended December 31, 2019.

All documents subsequently filed by the Registrant with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended, (which does not include information furnished pursuant to Item 2.02 or Item 7.01 of any Current Report on Form 8-K, unless expressly stated therein) after the date of this Registration Statement, but prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered by this Registration Statement have been sold or which deregisters all such securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement. Each document incorporated by reference into this Registration Statement shall be deemed to be a part of this Registration Statement from the date of the filing of such document with the Commission until the information contained therein is superseded or updated by any subsequently filed document which is incorporated by reference into this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, a derivative action) if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

The Registrant's Bylaws provide for the indemnification of officers, directors and third parties acting on behalf of the Registrant if such person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Registrant, and, with respect to any criminal action or proceeding, the indemnified party had no reasonable cause to believe his conduct was unlawful. The Registrant has entered into indemnification agreements with its directors and executive officers, in addition to indemnification provided for in its Bylaws and intends to enter into indemnification agreements with any new directors and executive officers in the future.

The Registrant's certificate of incorporation provides that none of its directors will be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by the Delaware General Corporation Law as amended from time to time. Neither the amendment nor repeal of such provision, nor the adoption of any provision of the certificate of incorporation will eliminate or reduce the effect of such provision in respect of any matter occurring, or any cause of action, suit or claim that, but for such provision, would accrue or arise, before such amendment, repeal or adoption of an inconsistent provision.

Section 145 of the Delaware General Corporation Law also authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation against any liability asserted against and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such persons against such liability under the statute. The Registrant has purchased liability insurance covering its directors and officers for claims asserted against them or incurred by them in such capacity.

Reference is made to Item 9 for the Registrant's undertakings with respect to indemnification for liabilities arising under the Securities Act.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. to include any prospectus required by section 10(a)(3) of the Securities Act;

ii. to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

iii. to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Post-Effective Amendment No. 1 to Form S-8 Registration Statement

Gentlemen and Ladies:

We have acted as counsel to Amkor Technology, Inc., a Delaware corporation (the "Company"), in connection with the preparation and filing of Post-Effective Amendment No. 1 (the "Post-Effective Amendment") to Registration Statement on Form S-8 (Registration No. 333-149376) (the "Registration Statement") with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), relating to shares of the Company's Common Stock, \$0.001 par value (the "Common Stock"), which may be issued by the Company pursuant to the Amkor Technology, Inc. 2021 Equity Incentive Plan (the "2021 Plan").

On May 18, 2021 (the "Effective Date"), the stockholders of the Company approved the 2021 Plan. The 2021 Plan provides, among other things, that any shares of Common Stock that remained issuable under the Company's 2007 Equity Incentive Plan (as amended and restated as the Second Amended and Restated 2007 Equity Incentive Plan, and as further amended, the "Prior Plan") and that were not subject to outstanding awards as of the Effective Date will be available for awards under the 2021 Plan (such shares, the "Prior Plan Shares").

This opinion letter is being furnished to the Company in accordance with the requirements of Item 601(b)(5) of Regulation S-K of the Securities Act, and no opinion is expressed herein as to any matter other than as to the legality of the Prior Plan Shares.

In rendering the opinion expressed below, we have examined and relied on originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as we have deemed necessary or appropriate as a basis for rendering this opinion, including the following documents:

- the Post-Effective Amendment;

-
- the Registration Statement;
 - the 2021 Plan;
 - the Restated Certificate of Incorporation of the Company (the “Charter”);
 - the Amended and Restated Bylaws of the Company; and
 - a certificate of the Secretary of State of the State of Delaware, dated on or about the date hereof, as to the good standing of the Company.

As to the facts on which this opinion is based, we have relied upon certificates of public officials, certificates and written statements of officers and representatives of the Company and such matters of fact and law that we have deemed necessary for the purpose of rendering this opinion.

In our examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as original documents, the conformity to original documents of all documents submitted to us as copies, the legal capacity of natural persons who are signatories to the documents examined by us, and the legal power and authority of all persons signing on behalf of parties to all documents.

In rendering the opinion expressed below, we have assumed that at the time of the issuance of any of the Prior Plan Shares, there will exist under the Charter the requisite number of authorized but unissued shares of Common Stock. In addition, we have assumed that (i) option grants or stock awards under the 2021 Plan pursuant to which the Prior Plan Shares are issuable, and the issuance of the Prior Plan Shares thereunder, will have been duly authorized and issued by the Company in accordance with the terms of the 2021 Plan and any relevant agreements thereunder and in accordance with the Charter, applicable Delaware law and the authorizing resolutions, (ii) the resolutions authorizing the Company to issue the Prior Plan Shares in accordance with the terms and conditions of the 2021 Plan will remain in effect and unchanged at all times during which the Prior Plan Shares are issued by the Company, (iii) the Registration Statement, the Post-Effective Amendment and any amendments thereto, at the time of issuance of the Prior Plan Shares, will continue to be effective under the Securities Act, (iv) an appropriate account statement evidencing the Prior Plan Shares credited to the recipient’s account maintained with the Company’s transfer agent will have been issued by the Company’s transfer agent, and (v) the issuance of the Prior Plan Shares will be properly recorded in the books and records of the Company.

On the basis of the foregoing and subject to the assumptions and qualifications set forth in this letter, we are of the opinion that when (i) the Post-Effective Amendment has become effective under the Securities Act, and (ii) the Prior Plan Shares are issued and delivered against receipt by the Company of payment therefor (not less than par value) in accordance with the terms of the 2021 Plan and any relevant agreements thereunder, the Prior Plan Shares will be validly issued, fully paid and nonassessable.

The opinion expressed herein is limited to the General Corporation Law of the State of Delaware. We are not members of the bar of the State of Delaware, nor do we purport to be experts in the laws of the State of Delaware.

This opinion letter has been prepared for your use solely in connection with the Post-Effective Amendment. We assume no obligation to advise you of any changes in the foregoing subsequent to the date hereof.

We hereby consent to the filing of this opinion as an exhibit to the Post-Effective Amendment and to the reference to this firm wherever appearing in the Post-Effective Amendment. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

/s/ Dechert LLP
